摘要

中国的教育培训市场尚处于朝阳阶段,尤其是职业技能教育市场潜力巨大。高校毕业生进入了快速 增长的时期,2004年高校毕业生数量为250万人,2007年毕业人数已达到479万人。一方面就业 竞争压力较大,另一方面不少企业人才短缺,供需双方难以衔接,从而产生了巨大的毕业后再教育 需求。此外,高考、考研人数持续增长,高校持续扩招,这也为教育培训产生了巨大的市场。

2007 年全国共有各级各类民办学校(教育机构)9.52 万所(不含民办培训机构 2.23 万所),各类学 历教育在校学生达 2583.50 万人。其中民办高校 297 所,在校生 163.07 万人;独立学院 318 所,在 校生 186.62 万人。

中国家庭对教育的重视和国内就业压力的增大,都给教育产业带来了机会。不少风险投资开始 投资教育行业。2005年,中华培训网、飞龙网和精品学习网分别获得千万美元级别的融资。

2006年9月,新东方在纽交所的成功上市。

2006年9月,环球雅思宣布获得软银赛富2亿元人民币的注资。

2007 年上半年,集富亚洲投资了1000 万美元给安博教育集团,后者主要就从事中小学教育、IT 技能培训和英语教育。

2007 年 9 月, IT 职业培训机构华育国际宣布获得来自软银赛富 2000 万美元风险投资, 这也是 继环球雅思、网迅家园、ATA 后, 软银赛富第四次注资教育行业。

2007年9月, 凯雷投资集团宣布投资 2000万美元入股新世界教育集团——一家以日语培训为特 色的培训和教育机构。

2007年10月,学大教育获得鼎晖创投主导的首轮融资,融资金额近2000万美元。

	China's education and training is a sunrise ind	ustry. In parti	cular, China's		
Abstract	vocational education market has a great potential. C	China's college g	raduates have		
	entered a period of fast growth. In 2007, China's	number of colle	ege graduates		
	jumped to 4.79 million from 2.50 million in 2004, which on the one hand increases				
	greatly employment pressure on the society, on the other hand, quite a few				
	companies are still short of qualified talents. Such a poor match between supply				
	and demand generates a huge demand for education after graduation. A				
	continuous rise in the number of people pursuing bachelor and master degrees				
	and a sustained expansion of college enrollment offer an enormous market for				
	education and training industry.				

In 2007, China had a total of 95,200 various kinds of private schools at all levels

(excluding 22,300 private training institutions). The number of students aiming

for various sorts of academic qualifications totaled 25.84 million in the year, of

which, 1.63 million students studied in 297 private colleges and 1.87 million students studied in 318 subordinate colleges.

Chinese family's attention to education and increasing rise in employment pressure at home provide a good opportunity for China's education and training industry. Lots of venture capital companies have begun investing in the industry. In 2005, several websites companies, such as http://www.china-training.com/ http://www.feloo.com/ and http://www.51edu.com/ all raised funds worth more than 10 million dollars respectively.

In Sep. 2006, New Oriental was successfully listed in New York Stock Exchange, and meanwhile, Global IELTS Group gained a capital injection of CNY200 million from SAIF Partners.

In the first half year of 2007, JAFCO Asia poured US\$10 million to Ambow Education Co. that specializes in elementary and junior middle school education, IT training and English education.

In Sep. 2007, Eduask, an IT training specialist, announced that it has gained venture capital of US\$20 million from SAIF Partners, which had earlier injected

venture capital into Global IELTS Group, ChinaWeEdu and ATA.

In Sep. 2007, Carlyle Group injected US\$20 million into Neworld Education Group, which specializes in training of Japanese language.

In Oct. 2007, 21Edu Co., Ltd. gained a capital injection of nearly US\$20 million in its first round of fundraising led by CDH Venture.
